# LADIES DAY QUESTIONS & ANSWERS

Do I need to register to receive the discounted green fee?

Yes, while there is no longer a registration fee to join, we need some basic contact information so we know how many players are in the league as well as being able to get in touch with you if need be.

Do I need to make a tee time?

Yes, please make a tee time up to 14 days in advance during specified Ladies Day times to let us know your group is coming! Walk-Ons are allowed, but you will have to wait for the next available tee time.

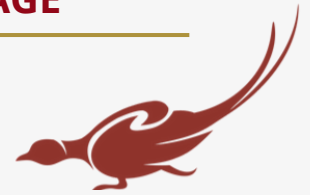

Will I be able to play with my friends?

Yes, when making your tee time, please let us know who will be playing with you! If your friends are not league members, have them sign up before the round to enjoy the discounted rate!

I'm a Single Golfer, can I still register and play?

Yes! We will find you an open spot with a group of ladies and we'll make all the introductions!

# LADIES DAY QUESTIONS & ANSWERS

Do I have to pay for the Event Nights?

Yes, because there is no longer a registration fee to join the league, there is an entry fee for event nights. It is entirely up to you if you would like to join us, but typically these nights have been a favourite of our past players!

Will I be eligible for prizes?

If you would like to buy into the weekly prize pot for \$5 you can play and win!

Can I play 18 holes?

Based on a 2025 survey with over 200 responses, 83% of our Ladies prefer to play 9 holes. Therefore, to provide more tee times, we will only have one 9 hole course available on Tuesdays, and one 9 hole course available on Thursdays for Ladies to play.

What is the goal of Ladies Day?

Our goal is to provide an inviting opportunity without barriers for women in a breathtaking outdoor setting, to experience golf in a social and fun environment - at a reasonable cost!

# LADIES DAY QUESTIONS & ANSWERS

Is it hard to get a tee time?

It can be on Tuesdays, as that has been our most popular day to play. However, we also offer Ladies Day tee times on Thursdays and there is much more availability then.

I'm a beginner golfer, can I play?

Yes! We will also offer ladies only clinics this summer taught by our female golf professional Cory Ann! These clinics will help improve your golf swing, but also introduce you to the game of golf, the terms, course etiquette and any other questions you may have - in a stress free setting!
