LADIES DAY QUESTIONS & ANSWERS

What is the goal of Ladies Day?

Our goal is to provide an inviting opportunity to Ladies, without barriers, in a non-discriminatory, breathtaking, outdoor setting, to experience how social and fun golf can be! All at a reasonable cost!

Do I need to register to receive the discounted green fee?

Yes - While there is no longer a fee, we would like some basic information so we have an idea how many possible attendees we may have as well as so we know who is participating and so we may provide you with any updates and the Ladies Day Season Calendar!

Will I be able to play with my friends?

Yes! When making your tee time, please let us know who will be playing with you!

I'm a Single Golfer, can I still register and play? Not a problem! We will find you an open spot with a group of ladies and we'll make all the introductions!

Will I be eligible for prizes?

If you would like to buy into the weekly prize pot for \$5 you can play and win!

Do I need to make a tee time?

Please make a tee time up to 14 days in advance to let us know your group is coming! Walk-Ons are allowed, but you will have to wait for the next available tee time.

Do I have to pay for the Event Nights?

Due to no longer having a registration fee, there is now an entry fee for the shotgun event nights. It is entirely up to you if you would like to join us, but typically these nights have been a favourite of our past players!
